## MICHIGAN SAFETY AND HEALTH PROTECTION ON THE JOB

THE MICHIGAN OCCUPATIONAL SAFETY AND HEALTH ACT, 1974 P.A. 154, AS AMENDED, REQUIRES POSTING OF THIS DOCUMENT IN A CENTRAL AND CONSPICUOUS LOCATION. FAILURE TO DO SO MAY RESULT IN A PENALTY.

The Michigan Occupational Safety and Health Act (MIOSH Act), Act No. 154 of the Public Acts of 1974, as amended, provides job safety and health protection for Michigan employees through the maintenance of safe and healthful working conditions. Under the MIOSH Act and a state plan approved in September 1973 by the U.S. Department of Labor, the Michigan Department of Licensing and Regulatory Affairs is responsible for administering the Act. Department representatives conduct job site inspections and investigations to ensure compliance with the Act and with safety and health standards.

The contents of this poster describe many important provisions of the Act. These provisions apply equally to employers and employees in either private industry or the public sector.

### EMPLOYER REQUIREMENTS: MIOSH requires that each employer:

1. Furnish to each employee employment and a place of employment which is free from recognized hazards that are causing or are likely to cause death or serious physical harm to the employee.
2. Comply with promulgated rules and standards and with orders issued pursuant to the Act.
3. Post this and other notices and use other appropriate measures to keep his or her employees informed of their protection and obligations under the Act, including the provisions of applicable rules and standards.
4. Notify the Michigan Department of Licensing and Regulatory Affairs within 8 hours of any work-related fatality. Notification may be accomplished by calling 1-800-858-0397.
5. Notify the Michigan Department of Licensing and Regulatory Affairs within 24 hours of all work-related inpatient hospitalizations, amputations and losses of an eye. Notification may be accomplished by calling 1-844-464-6742 (4MIOSH).
6. Make available to employees, for inspection and copying, all medical records and health data in the employer's possession pertaining to that employee.
7. Afford an employee an opportunity with or without compensation to attend all meetings between the Department of Licensing and Regulatory Affairs and the employer relative to any appeal of a citation by the employer.
8. Give the representative of employees the opportunity to accompany the department during the inspection or investigation of a place of employment and to prohibit the suffering of any loss of wages or fringe benefits or discriminate against the representative of employees for time spent participating in the inspection, investigation, or opening and closing conferences.
9. Provide personal protective equipment, at the employer's expense, when it is specifically required by a MIOSHA standard.
10. Not permit an employee, other than an employee whose presence is necessary to avoid, correct or remove an imminent danger, to operate equipment or engage in a process which has been tagged by the Department and which is the subject of an order issued by the Department identifying that an imminent danger exists.
11. To promptly notify an employee who was or is being exposed to toxic materials or harmful physical agents in concentrations or at levels which exceed those prescribed by a MIOSHA standard.

### EMPLOYEE REQUIREMENTS: MIOSHA requires that each employee:

1. Comply with promulgated rules and standards and with orders issued pursuant to the Act.
2. Not remove, displace, destroy, or carry off a safeguard furnished or provided for use in a place of employment, or interfere in any way with the use thereof by any other person.

**INSPECTIONS/INVESTIGATIONS:** Inspections and investigations are conducted by trained personnel. The Act requires that an employer representative and a representative of employees be given an opportunity to accompany the department representative for the purpose of aiding in the inspection or investigation.

If a representative of employees does not participate, the department representative will consult with a number of employees concerning matters of safety or health in the place of employment.

**COMPLAINTS:** Employees and employee representatives who believe that an unsafe or unhealthful condition exists in their workplace have the right to request an inspection by giving written notice to the Department of Licensing and Regulatory Affairs. If a condition exists which may present an immediate danger, the Department should be notified in the most expedient manner without regard to a written notice. The names of complainants will be kept confidential and not revealed upon the request of the employee. Employees also have the right to bring unsafe or unhealthful conditions to the attention of the department representative during the conduct of an inspection or investigation.

The Act provides that employees may not be discharged or in any manner discriminated against for filing a complaint or exercising any of their rights under the Act. An employee who believes he or she has been discriminated against may file a complaint with the Michigan Department of Licensing and Regulatory Affairs within 30 days of the alleged discrimination.

The U.S. Department of Labor is monitoring the operation of the Michigan Occupational Safety and Health Administration (MIOSHA) to assure the effective administration of the state act. Any person may make a written complaint regarding the state administration of the state act directly to the Regional Office of OSHA, 230 South Dearborn, Chicago, Illinois 60604.

**CITATIONS:** If upon inspection or investigation the Department of Licensing and Regulatory Affairs believes that a requirement of the Act has been violated, a citation alleging such violation and setting a time period for correction will be issued to the employer. The citation must be prominently posted at or near the place of the alleged violation for three days or until the violation is corrected, whichever is later.

The Act provides for first instance penalties of up to \$7,000 for a violation. Penalties of up to \$7,000 per day may be assessed for failure to correct a violation within a proposed abatement period. Any employer who willfully or repeatedly violates the Act may be assessed penalties of up to \$70,000 for each such violation. Employers may appeal the alleged citation, the proposed penalties or the abatement periods to the Department and to the Board of Health and Safety Compliance and Appeals. Employees may appeal the abatement period in a similar manner. Employees also may appeal to the Board of Health and Safety Compliance and Appeals any decision issued by the Department in response to an employer appeal.

Criminal penalties also are provided for in the Act. A person who knowingly makes a false statement or report pursuant to the Act upon conviction is punishable by a fine of up to \$10,000 or may be imprisoned for not more than 6 months or both. Any willful violation resulting in death of an employee, upon conviction, is punishable by a fine of up to \$10,000 or by imprisonment for not more than one year or both. A second conviction doubles the maximum monetary penalty and is punishable by imprisonment for up to three years.

**VOLUNTARY ACTIVITY & COMPLIANCE ASSISTANCE:** The act encourages employers and employees to reduce workplace hazards voluntarily.

The Michigan Department of Licensing and Regulatory Affairs offers limited on-site consultation assistance to employers to assist them in achieving compliance with occupational safety and health standards. Training specialists are available and can give advice on the correction of hazardous conditions and on the development of safety and health systems. Department staff are available to conduct seminars and training relative to occupational safety and health for both employer and employee groups. Requests for service should be addressed to the department at the address shown below.

The U.S. Department of Labor will continue to enforce federal standards governing maritime operations of long shoring, shipbuilding, ship breaking and ship repairing. These issues are not covered by the Michigan Plan for Occupational Safety and Health.

### UNEMPLOYMENT COMPENSATION NOTICE TO EMPLOYEE

Please ensure that you read both sides of this form prior to filing a claim for unemployment benefits (both sides are combined on this notice). If you become unemployed, this information may help to determine your unemployment benefit entitlement. When to file a claim for unemployment benefits:

A claim for unemployment benefits begins the week it is filed. Therefore, you should file your claim for benefits during your first week of unemployment.

To receive unemployment benefits, you must both be eligible and qualified. You must:

- File a claim, and report for benefits as directed by the Unemployment Insurance Agency (UIA).
- Register for work each time a new, additional or re-opened claim is filed as directed by the UIA.
- Have sufficient earnings in the past 18 months.
- Be able to work.
- Be available for work. You must immediately inform the UIA and all base period employers of any changes to your contact information (mailing address and telephone number) and respond to all UIA requests to update your contact information.
- If directed by the UIA, appear at a specified location provided in a mailed notice for an evaluation of your eligibility for unemployment benefits.
- If requested by the UIA, provide a statement of wages (wage affidavit) for purposes of calculating your unemployment benefits as state law requires that you produce evidence of those wages (pay stubs, W-2, employer payroll records, etc.).
- Be actively engaged in seeking work.
- Conduct a systematic and sustained work search effort and provide proof of those efforts by submitting your work search efforts as directed by the UIA.

To file a claim for benefits, you will need the following:

1. This form and any similar forms you received from any employer in the past 18 months, or pay stubs with employer name, employer payroll record, or W-2 Form.
2. Your Social Security number, complete mailing address (zip code), telephone number, and county of residence.
3. Your driver's license or state identification card.
4. Your Alien Registration Number and the expiration date of your work authorization if you are not a citizen or national of the United States.
5. Name(s) of employer(s), date(s) of employment, and reason for separation from each employer you worked for in the past 18 months.
6. Information from your financial institution if you choose to have your benefits directly deposited into your checking or savings account.

### MIOSHA Required Poster Wage and Hour Program General Requirements - Minimum Wage and Overtime

**Coverage**  
The Workforce Opportunity Wage Act, Public Act 138 of 2014, covers employers who employ 2 or more employees 16 years of age and older.

Employees must be paid at least:

Effective Date	Minimum Hourly Wage Rate	Tipped Employee Minimum Hourly Rate	85% Rate
January 1, 2017	\$8.90	\$3.38	\$7.57
January 1, 2018	\$9.25	\$3.52	\$7.86

► Minors 16-17 years of age may be paid 85% of the minimum hourly wage rate.  
► Beginning September 1, 2014, tipped employees may be paid a minimum hourly wage rate of 38% of the minimum hourly wage rate, provided tips are received, as documented through a signed, dated tip statement, which combined with the hourly wage paid, equals or exceeds the minimum hourly wage rate.

**Training Wage**  
A training wage of \$4.25 an hour may be paid to employees 16 to 19 years of age for the first 90 days of employment.

**Overtime**  
Employees covered by the Workforce Opportunity Wage Act must be paid 1-1/2 times their regular rate of pay for hours worked over 40 in a workweek. The following are exempt from overtime requirements: employees exempt from the minimum wage provisions of the Fair Labor Standards Act of 1938, 29 USC 201 to 219 (except certain domestic service employees), professional, administrative, or executive employees, elected officials and political appointees, employees of amusement and recreational establishments operating less than 7 months of the year, agricultural employees, and any employee not subject to the minimum wage provisions of the act.

**Compensatory Time**  
If an employer meets certain conditions, employees may agree to receive compensatory time of 1-1/2 hours for each hour of overtime worked. The agreement must be voluntary, in writing, and obtained before the compensatory time is earned. All compensatory time earned must be paid to an employee. Accrued compensatory time may not exceed 240 hours. Employers must keep a record of compensatory time earned and paid. Contact the Wage and Hour Program for information on the conditions an employer must meet in order to offer compensatory time off in lieu of overtime compensation.

**Equal Pay**  
An employer shall not discriminate on the basis of sex by paying employees a rate which is less than the rate paid to employees of the opposite sex for equal work on jobs requiring equal skill, effort, and responsibility performed under similar working conditions - except where payment is pursuant to a seniority system, merit system or system measuring earnings on the basis of quantity or quality of production or a differential other than sex.

**Enforcement**  
An employee may either file civil action for recovery of unpaid minimum wages or overtime, or they may file a complaint with the Department of Licensing and Regulatory Affairs. The department may investigate a complaint and file civil action to collect unpaid wages or overtime due the employee and all employees of an establishment. Recovery under this act can include unpaid minimum wages or overtime, plus an equal additional amount as liquidated damages, costs, and reasonable attorney fees. A civil fine of \$1,000 can be assessed to an employer who does not pay minimum wage or overtime.
